

Foundations

Explore into the foundations of Adventism and how God has led His people in the past. This booklet contains a collection of historical documentation focusing specifically on the life and times surrounding the 1843 and 1850 prophetic charts.

It is our hope that you also will be inspired with what God hath wrought.

For those unfamiliar with the basic history of these times, we suggest supplementing this booklet with the record found in:

Early Writings p.229-261

Great Controversy p.317-432

Memoirs of William Miller by Sylvester Bliss
