

GIVE THANKS

Matthew Henry, a famous scholar, was once stopped by highway men and robbed of his purse, with everything it contained. Years later, his diary was found and on that day he had written:

“Let me be thankful, first because I was never robbed before; second, because they took my purse, they did not take my life; third because although they took my all, it was not much and fourth, because it was I that was robbed, and not I who robbed.

Quotable Quotes

The year that is drawing towards its close has been filled with the blessings of fruitful fields and healthful bounties. To these bounties, which are so constantly enjoyed that we are prone to forget the source from which they a come, others have been added which are of so extraordinary of a nature, that they cannot fail to penetrate and soften even the heart which is habitually insensible to the ever watchful providence of Almighty God...No human counsel hath devised nor hath any mortal hand worked out these great things. They are the gracious gifts of the Most High God...I do therefore invite my fellow citizens... to set apart and observe the last Thursday of November next, as a day of Thanksgiving and Praise to our beneficent Father who dwelleth in the Heavens.—Abraham Lincoln’s 1863 Proclamation

Convenience

We live an age where convenience is king. There are fast food restaurants, drive thru banking, frozen dinners, along with automatic dishwashers and garage door openers.

And yet when you consider being a Christian, the convenient way is not always the right way. The book of Acts tells us of Paul talking to Felix and his wife Drusilla. *And as he reasoned of righteousness, temperance, and judgment to come, Felix trembled, and answered, Go thy way for this time; when I have a convenient season, I will call for thee.* Acts 24:25

We further learn of Paul talking to King Agrippa. Again there is an almost, and although not mentioned, I would guess the waiting for a more convenient time. *Then Agrippa said unto Paul, Almost thou persuadest me to be a Christian.* Act 26:28

I am afraid for those who follow this same principle of what is convenient at the time and also those that are almost Christians. Signs of the times confirm that time is short. Paul tells us,

Romans 13:11,12,14 *And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. ...let us therefore cast off the works of darkness, and let us put on the armour of light.... But put ye on the Lord Jesus Christ, and make not provision for the flesh, to fulfil the lusts thereof.*

*Almost saved is
100% lost.*

It is high time to get all the evil out of our lives.
It is high time to get rid of the secret sins out of our hearts
and strive to mirror the character of Christ.
I love the way one author puts it.

God has spoken, and He means that man shall obey. He does not inquire if it is convenient for him to do so. The Lord of life and glory did not consult His convenience or pleasure when He left His station of high command to become a man of sorrows and acquainted with grief, accepting ignominy and death in order to deliver man from the consequence of his disobedience. Jesus died, not to save man in his sins, but from his sins. Man is to leave the error of his ways, to follow the example of Christ, to take up his cross and follow Him, denying self, and obeying God at any cost. —{White CCh 269}

At the same time that we are thankful that Christ didn't make his decision to save us or not based on whether it was convenient, we should also keep in mind the brevity of this life. Approximately 153,000 die each day. That means for them, if they haven't done it already, there will be no convenient time to change their life and give their hearts to Jesus. There will be no time to fill in the infinite gaps in the word *almost*. Almost saved is 100% lost.

This is why the Bible teaches, "...behold, now is the accepted time; behold, now is the day of salvation." 2 Cor. 6:2

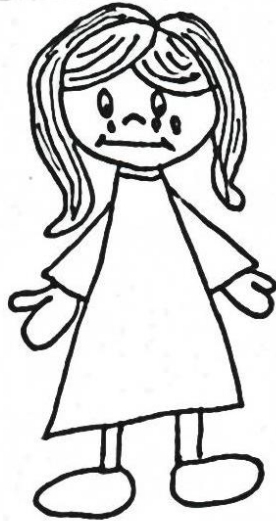

We are not to pervert the word of God to suit our convenience, and worldly interests, but to honestly inquire, "What wilt thou have me to do?" Does what we eat and drink glorify God? Does what we wear and what we watch glorify God? Does everything we do glorify God? *Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God.* 1 Cor. 10:31 May God help us to take stock of our lives NOW, today, before it is forever too late.

Patience said "Thank You" when her mother gave her an oatmeal cookie. She made Jesus happy.

Passion didn't say "Thank You" when she was given an oatmeal cookie. She didn't get one next time.

God's Incredible Creatures

Do you know what this bug is? It is called a Dark Jerusalem Cricket. We found it in Washington state. It is not a real cricket, but it can make a sound with its abdomen on the ground that sounds like a drum.

Jerusalem Crickets are nocturnal, which means they come out at night. They eat roots and things that are decaying or rotting, but they can also eat other insects. Jerusalem crickets are not poisonous, but they can emit a bad smell and their bite can be painful. They like to burrow under the ground. If you look carefully you may also find one of the incredible creatures that God made for us to enjoy.

Profitable Traditions-From Our Home to Yours

Cultivate Thankfulness - A Thanksgiving Eve vespers is a great way to begin, by singing hymns of thanksgiving and reading thankful verses from the Bible. On Thanksgiving Day our tradition is to go around the table and everyone gets to name something for which they are thankful for every year of their life (Ex. If you are 30 you would have to name 30 things) For small children you may also create a Basketful of Blessings with paper fruit and write the things you are thankful for on the fruit.

Swift Runner Health Tip

There is a physiological truth—truth that we need to consider—in the scripture, *A merry [rejoicing] heart doeth good like a medicine.*

Proverbs 17:22. As a child, I remember hearing the story of Grandma Brown’s headache medicine. Whenever Grandma became stressed and got a headache she would start thinking and listing of all the things she was thankful for and “mysteriously” her headache would disappear.

Gratitude and thanksgiving benefit the immune system. Researchers at the Stanford University School of Medicine and the University of California at San Diego reported that such positive attitudes as gratitude, optimism, perseverance, and absence of malice are linked to a better chance of beating disease and higher survival rates when disease does occur.

Proverbs 15:13 *A [rejoicing] heart maketh a cheerful countenance: but by sorrow of the heart the spirit is broken.* If we take the Bible at its word and give thanks in everything, even when we don’t feel like it, psychological research actually suggests that just deciding to have a cheerful countenance can generate amazing changes. Not just a “cheese” smile that only effects the mouth, but a sincerely happy smile in

which the muscles around the eyes are deliberately flexed as well, generates the same positive brain activity in the frontal cortex as a spontaneously happy smile. We can actually cheer ourselves up , as well as cheering others by simply putting on a happy face.

Psalm 42:11 *Why art thou cast down, O my soul? and why art thou disquieted within me? hope thou in God: for I shall yet praise him, who is the health of my countenance, and my God.*

Amputation

*And if thy right eye offend thee, pluck it out, and cast [it] from thee: for it is profitable for thee that one of thy members should perish, and not [that] thy whole body should be cast into hell.
And if thy right hand offend thee, cut it off, and cast [it] from thee: for it is profitable for thee that one of thy members should perish, and not [that] thy whole body should be cast into hell. **Matthew 5:29, 30***

There is an old story told of a Russian officer taken captive by the French, during the time of Napoleon. The French got an iron and branded the officer on his hand with an "N." When he asked what it meant, they said, "It means that you belong, body and soul, to Emperor Napoleon." The soldier seized an axe and cut his hand off at the wrist and said; "Take what belongs to you, I am for the Czar and belong to him."

While I do not believe in literally cutting your hand off, I think we can learn a spiritual lesson from this story. There are practices and things that have been branded with the mark of the prince of this world, who is the Devil. We should cut off, or refuse to be connected with those evil practices. We should pledge to be wholly for Christ, and belong only to him.

Just as the amputating of his hand was painful, so the getting rid of our sinful practices will be painful. The more we have indulged in a sin, the more it has become part of us and part of our lifestyle, and the more painful it will be to quit.

***JUST AS THE
AMPUTATING OF HIS
HAND WAS PAINFUL,
SO THE GETTING RID
OF OUR SINFUL
PRACTICES WILL BE
PAINFUL.***

People think this officer was extreme in what he did, and although I do not think it necessary to do that for an earthly power, I realize that people will think those who cut off from the world's movies, fashions, games, foods, and lifestyles, will be classed as peculiar, odd, singular, straight-laced extremists. But God's true followers will stand through the ridicule. They will remember the shame, and ridicule Christ bore for them. They will think of his cruel, agonizing, death. They will realize he did all that for them and they will think ridicule to small a price for them pay.

Will you be part of that company? Will you stand by the truth no matter the consequences? Will you cut off all worldly practices and sins, and say, "Take what belongs to you. I am for Jesus Christ, and belong to him." Can you say that today?
